## EXPERIENCE

### Salesforce Developer Virtual Internship, Salesforce

Nov 2024 - Jan 2025

Remote, India

- Completed Salesforce Developer Virtual Internship with SmartInternz, AICTE NEAT, gaining hands-on experience in Salesforce development, automation and CRM solutions while earning 13 Superbadges including Developer Super Set and Apex Specialist.
- Developed "Salesforce - A CRM Application for Wholesale Rice Mill", streamlining business operations and business analysis with Salesforce.

### Tecnics Integration Technologies, Apprenticeship

Dec 2022 - Jun 2023

Anakapalle, Visakhapatnam, India

- Achieved strong growth in Computer Science fundamentals and programming languages through hands-on work across full-stack technologies.
- Gained practical experience in data structures, algorithms and industrial project workflows.

## PROJECTS

### Text-to-Image Generator

Tools: MERN Stack, Tailwind CSS, Clipdrop API

- Developed a MERN application integrating the Clipdrop API to convert text prompts into images with secure user authentication for personalized access and control.
- Built a responsive, mobile-friendly UI using Tailwind CSS, ensuring smooth accessibility across devices.

### Expense Tracker Application

Tools: MEARN Stack, Tailwind CSS, Chart.js, ExcelJS

- Built a full-stack MERN application with Tailwind CSS to manage personal income and expenses.
- Implemented JWT authentication and category-based income/expense management with interactive charts.
- Enabled users to export financial reports in Excel and designed a fully responsive and intuitive UI.

## TECHNICAL SKILLS

- Programming Languages:** C, Java and Python
- Development Skills:** HTML, CSS, JavaScript, MERN Stack and Android Development
- Databases:** MySQL and MongoDB
- Core Subjects:** Data Structures and Algorithms, OOPs concepts and Operating System
- Designing Tool:** Canva

## ACHIEVEMENTS

### Hackathons

- Runner-up at the Bloon Hackathon 2025
- Finalist at CyberforHER Hackathon 2025

### Leadership Roles

- Designing Lead at Association of Computer Intellects (AsCI)
- Branch Coordinator at National Service Scheme (NSS)

## CERTIFICATIONS & LEADERSHIP

- ServiceNow Certified System Administrator** July 2025
- ServiceNow Certified Application Developer** August 2025
